NEXT CLUB MEETING THURSDAY NOVEMBER 17 2005

8.00pm AT THE CLUBROOMS FITZGERALD STREET NORTHAM

The following Articles/Editorials are published as received and are not necessarily the views of the AVVVA. Deadline for articles: Last day of the month

FROM THE PRESIDENT

The fine weather we are now having makes for pleasant club events, so keep an eye on the "Coming Events" section of the Newsletter.

At the October Busy Bee, work commenced on extending the roof over the stationary motors and the pavers are ready for laying, so there is plenty of work going on at the clubrooms and the shed.

I hope to see all members at the Christmas Dinner on December 10 at Northam Residential College in Inkpen Street.

JIM DONOVAN.....President

FROM THE SECRETARY

The new club photocopier has already proved to be very efficient and can churn out over 200 Newsletters, printed, sorted and stapled in less than 1 hour! Once Leanne and I have a bit of time we will try some colour printing for special issues of the Newsletters.

The number of AVVVA members not financial is still over 60 people. In 2006 the Treasurer will be able to print an account for every club member so the late payers will have to contact the Treasurer. Sorry but chasing the annual fees takes up a huge amount of the Secretary's and Treasurer's time and we need to be more efficient. The cut off date should be August 31 each year but some items need to be paid earlier eg advertisements, machinery insurance etc.

The Avondale Discovery Farm "Harvest Festival" is on Sunday November 20. Due to the large number of vehicles expected we are being moved to a larger display area but bot much shade. So bring your own shade please. See you at future events.

.Happy Motoring FRED SINGLETON
