**SUBS ARE DUE NOW**

**FROM THE SECRETARY**

It is now time for the AGM and all committee positions will be vacant. I have been the AVVVA Secretary for 4 years and do not want to continue in that capacity. However I will help the new Secretary for as long as is needed. I will be asking the club to create a position of AVVVA Web Site Administrator so I can continue to develop our Internet Site. This is the future of club information (especially for the younger generation) and can only grow over the years to come. Some Web Site ideas are, a members' restoration photo page, an electronic visitors' book, for sales, more member profiles, etc.

I would like to thank the Committee members over the last 4 years for their input and help with running some very successful events for the AVVVA. A special mention goes to Colin Campbell for his 15 years of work as Secretary. A firm base for everyone to build upon.

The AVVVA can only benefit by involving 'new faces' on the committee and getting younger ones interested in our great club.
