NEXT CLUB MEETING - THURSDAY JULY 19th

8.00pm AT THE CLUB ROOMS FITZGERALD ST NORTHAM

The following Articles/Editorials are published as received and are not necessarily the views of the AVVVA.

Deadline for articles: Last day of the month

FROM THE PRESIDENT

Members from Northam, York, Beverley, Wyalkatchem and Cunderdin took part in our trip to Cunderdin on 24th June. On arrival at Cunderdin we visited the Museum for morning tea and the Cunderdin Aero Club. After a barbecue lunch at the Caravan Park we went up to the lookout where you can see for miles over the flat country, then on to John O'Hare's farm on the Old Goldfields Road to see his collection of vintage stationary motors and tractors. A lot of interest was shown in the farm scrap heap where there were many interesting articles of transport history back to the horse and sulky days. On the way home we travelled along the Old Goldfields and York-Northam Roads.

Our thanks must go to Arthur Millea for co-ordinating the event, Bert Miller at the Museum, Members of the Cunderdin Aero Club, Roger and Nola at the Cunderdin Caravan Park and John O'Hare for inviting us out to his farm.

Members who took part were:-

Kevin & Pat Jones – 1955 Peugeot
Chris & Gail Alabach – 1971 Jaguar
Garry & Deanne Slater – 1964 Humber
Arthur Millea – 1928 A Model Ford
Kevin Christmass – Club's 1965 Austin Sprite
John King – 1971 GT Falcon
Allan Hicks & Jeff Mills – Club's 1954 Morris
Trevor Smith & Nathan Fischer – 1988 Chev
Corvette

Chris Hasan and I travelled in a modern car.

JIM DONOVAN
President

SECRETARY'S REPORT

July 2007

The Annual General Meeting is held after the July 19th General Meeting, so come along and see if you can help on the AVVVA Committee for 2007-2008.

We are looking for some new faces, so now is the time to help us run the club.

As I will not be standing for Secretary (or filling in as Secretary) I would like to thank all those members who helped run the AVVVA over the last 7 years. The club has a solid membership base and just needs a few more helpers around the place for a very successful future.

Any new ideas for the Club's activities for the coming year are most welcome at the AGM night. See you there on July 19th.

FRED SINGLETON
Secretary, AVVVA

MEETING HELD AVVVA

CLUBROOMS

Thursday 21st June, 2007

Summary of meeting held Thursday 21st June, 2007

Meeting Closed 9.10 pm

ANNUAL GENERAL MEETING

Thursday 19th July

After the General meeting (8.00pm)

AVVVA Clubrooms
Fitzgerald St, Northam

TO RESTORE A 1924 FORD T

By Theo Bekkers

It was lying in a shed and looked miserable, a frame with wheels and some rusted panels. In another corner was the motor.

Taken to my workshop the first thing to do was to completely clean the dismantled chassis for painting. Next step, the wheels which needed respoking and cleaning, ready for painting. The tyres are then checked and found to be 80% and able to be used on the restored vehicle, however after a long stint in the shed the tubes are unsuitable and have to be replaced in the restoration. At this stage the next stage is the springs and shackles need to be inspected and replaced if necessary.

Now for the motor, the head removed and the pistons and rings checked and the cylinders honed. After all this work is done which is quite a long job the motor is started and found to be not smoking which proves that the work on the motor was successful.

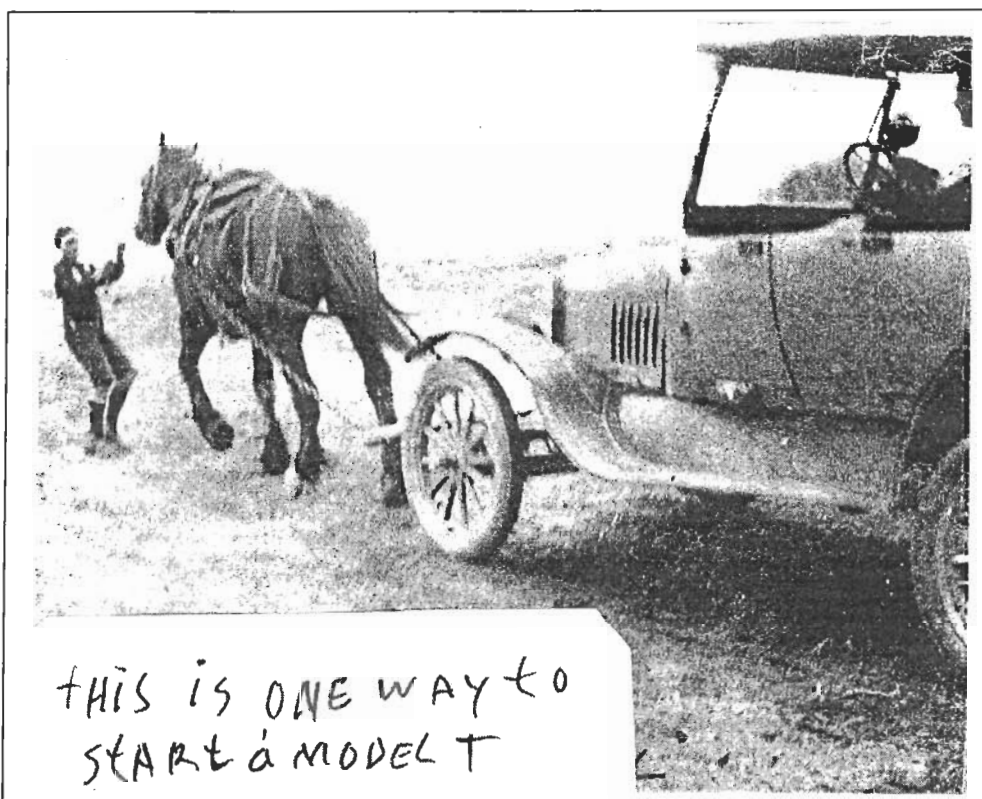

New transmission bands are installed with new bearings in the back wheel, new kingpins and bushes. For the steering, the tow in and the camber reset.

Now we know that the motor will go and the vehicle can be driven the time has come to restore the body. The original wood frame was broken and it was in a condition that new frames could be made using the broken frames used as templates. This required a great deal of accuracy in order that the new frames when fitted matched the panels that were to surround them. Prior to fitting the new frames to the chassis the starter motor was removed and checked and replaced on the chassis. The metal panels were then cleaned for repainting prior to being fitted to the wooden body work.

So now all that remains to be done is to fit the doors to the vehicle, the windscreen, the seats and the hood which was able to be obtained from Snyders who make Ford parts in the USA.

The final work to be done was fitting the running boards to the chassis and making a battery box for the right running board. Then my trade as a cabinet maker came in handy to enable me to fit a utility body frame on the back as it was in 1924.

A road test and after two years of hard work the restoration was complete.

COMING EVENTS - 2007

FREE ENTRY

CELEBRATING THE

50th ANNIVERSARY
of the 1957

FATHERS
DAY
TREAT!

Caversham Grand Prix

2nd September 2007

Harrow Road (cnr Lord Street) Caversham. Access via Harrow Road entry.

Spend your Fathers Day at the site of the Caversham World War II Airforce Base and view the cars that competed in the 1957 Australian Grand Prix held at the famous Caversham Circuit.

See the machines that took on the best Australia could produce, like 3 times world Champion Sir Jack Brabham, Lex Davison and Stan Jones at full noise competing in Speed Demonstrations, Parades and Sprint Events throughout the day.

A Commemorative Plaque will be laid to celebrate the rich motoring history of the site and the launch of the book "1957 Caversham Grand Prix" written by Graeme Cocks as part of the History of Motor Racing in WA series.

Come along and be photographed driving down the main straight in your own classic or vintage vehicle, or you can be photographed along side one of the famous racing cars on display and be a part of motorsport history.

**Circuit Tour • Speed Demonstration • Meet the Drivers • Racing Car Display
Sprint Events • Unveiling of the Plaque, commemorating the AGP at Caversham
Book Launch by Graeme Cocks • Photographic shoot of cars**
