NEXT CLUB MEETING THURSDAY MAY 19 2005

8.00pm AT THE CLUBROOMS FITZGERALD STREET NORTHAM

The following Articles/Editorials are published as received and are not necessarily the views of the AVVVA. Deadline for articles: Last day of the month

FROM THE PRESIDENT

March Notes: The attendance at the February busy bee was down a bit from the usual numbers. The petrol bowser has been restored and thanks to Dave Lucas for the great job of the restoration and painting and to Phil Chapman and the Shed team for putting it all together. The long room has been cleared ready for the carpet laying. The electric stove has been connected, thanks to Dale Keayes and family, so now we can look forward to some of Colin's famous Campbell's Soup at the winter busy bees.

The annual vehicle inspections have started this month, if your vehicle is laid up let the Club know to avoid losing your concession

April Notes: Toodyay's Moondyne Festival on May 1 was attended by a small group of our members displaying their vehicles. The threat of rain kept the numbers down on previous years but the rain stayed away and everyone enjoyed the day. We were lucky we turned up early and had the best position closest to the action. Shortly after we arrived the A Model Ford Club turned up followed by the MG Club, GT Falcon Club, Holden Club and the Vauxhall Club making the largest display of Vintage and Classic cars seen at the Moondyne Festival. AVVVA Members displaying their vehicles were: Theo Bekkers & Kevin Christmass 1926 Whippet: Bob Starling Club 1949 Ford Truck: Stan Eastwood 1929 Chev: Garry Slater 1963 Humber Super Snipe: Arthur Millea 1954 Ford Consul: Colin Campbell 1965 Humber Super Snipe: Rex Downey 1929 DeSoto Roadster: Allan Newton 1955 MG TF: Isobel Keayes 1986 Magna: Alan & Andrea McCandlish and I attended in modern.

FROM THE SECRETARY

It is good to be back home after travelling through NSW, QLD, NT and WA. We missed the air conditioning of a modern car but otherwise the 1956 Austin Westminster performed very well. Total distance was 6500 miles. The most expensive petrol was in Sandfire (WA) at \$141 per L. Most of the public were surprised that we would do a trip like that in an 'old' car but we saw a few modern cars with problems, so it is how the vehicle is maintained not the age.

There have been some questions on the concessional licensed and fully licensed vehicles. To be brief, the AVVVA do inspect ALL concessional licensed vehicles ONCE A YEAR. If you have a vehicle on a full licence then you can come and go like any modern motorist. Also, you can not display the concessional plates on your fully licensed vehicle. These are only for concessional licence. Questions are best directed to Andrew Wells on 92951572.

It seems we have a date of SATURDAY JULY 9 for the 20th Anniversary Dinner, so keep that date free as this should be a great night.

Happy Motoring FRED SINGLETON

2005 SWAPMEET REPORT

Well, we have had a very successful 2005 Vintage Swapmeet. This event will grow, year by year and the Club needs to consider how to get more volunteers to help. Some things can be given to community groups in Northam, so that we can concentrate on the gate and the grounds. Maybe we can charge a bit more on the gate and let someone else run the food stall. Have a think about this before the 2006 event.

FRED SINGLETON

SUMMARY OF MARCH MEETING

Apologies: Mick McColl, Fred Planc, Don McIntyre, Dale Keayes, Dave Lucas, Fred Singleton.

Minutes read: Accepted by ?, seconded by ?.

Business arising from those minutes: Nil
