PERENJORI SHOW

20th August, 2011

Due to other events on the same day, only a few AVVVA members were able to attend the Perenjori Show on Saturday 20th August.

The weather was perfect and it was a lovely drive up with the countryside looking so good at the moment. There were some vintage tractors and cars owned by local people and even one Ford Customline who's owners were passing through from Queensland (towing a caravan) and we all had pride of place in the centre of the grounds.

We all travelled up on the Friday and back on Sunday with a couple of us spending time at Wubin where we had a good browse around the Rock & Mineral Collection, Wheatbin Museum and the Machinery Annexe - JE Ellison Shed. A very interesting stop because of the variety of displays and well worth a visit.

Members who travelled to Perenjori were:

Barry & Sylvia Bristow-Stagg	1929 Ford 'A' Phaeton
Arthur Millea	1928 Ford 'A' with trailer
John & Hazel King	1967 Ford F100

Some of the displays from the JE Ellison Shed at Wubin

The following was inadvertently missed from last months newsletter.
