FROM THE PRESIDENT

Toodyay's Moondyne Festival once again was a great day with many attractions and entertainment. We had a good number of members displaying their vehicles and participating in the parade and we had a lot of interest from people who came up our end of the street to see our display and also the MG Club display.

Members with vehicles that are on concessional licence, and have not already had them inspected, must bring them in for inspection this Saturday, May 17 as this is the FINAL INSPECTION DAY. If you have problems getting to this Inspection Day you must notify the Registrar, Andrew Wells. If you fail to do so you will lose your concession.

Membership fees are now due so get them in by next month. Thank you to those who have already payed early.

JIM DONOVAN.....President

FROM THE SECRETARY

The cooler weather is here and so are the flood of interesting events.

The Northam Race Club have invited the AVVVA to display on the Foundation Day public holiday on Monday June 2 at the Northam Race Club. This is one of the biggest race days on the Northam calendar.

The York Museum is having the "Celebration of the Motor Car" on Sunday July 6 in York. A very successful event and again we are asked to help marshal on the day. Free lunch and refreshments to those helping!!

Lastly the final inspection day is in May. Please don't miss this or it will be difficult to arrange your annual inspection. Remember our examiners commit to 3 inspection days. That is 2 more than many other clubs.

FRED SINGLETON.....Secretary
