

Fairbridge Village is situated on the South Western Highway, 5kms north of Pinjarra, Western Australia; approximately 80 kilometres south of Perth City.

The Machinery Preservation Club of WA Inc; and The Old Machinery Club of WA Inc; have now been joined by The Vintage Tractor & Machinery Association of WA Inc; in the joint hosting of the 13th National Rally. We welcome them on board and are sure that their input and enthusiasm will be of great advantage to the successful presentation of this prestigious national event. It will undoubtedly be the largest ever held in WA; and hopefully challenge events held elsewhere. There is already great interest being shown from all over Australia and New Zealand, which the Rally Committee finds most encouraging. Overseas enquiries and bookings are also being received.

The Rally Committee is meeting on a regular basis at Fairbridge on the first Thursday of each month, and is in the process of allocating portfolios to handle various areas of event management. You will be informed when this has been completed.

We intend putting on a variety of entertainment and interests, other than machinery, that will cater for the interests of women and children.

The Committee has just appointed Sadleir Transport as the National Carrier for the 13th National Rally. Sadleirs will offer transport of exhibits from Brisbane, Sydney, Melbourne, Adelaide and Kalgoorlie to Fairbridge Village, and return.

Exhibits can be: boxed/crated items, wheeled exhibits including engines and tractors.

Full information and contact details will be issued within a few weeks.

Trade exhibits will be most welcome and will be well catered for.

For general information, please contact the Rally Secretary at 25 Mahogany Street, Maddington, W.A. 6109. Email: bob.wallis@iinet.net.au Phone (08)9459 6425

Other information is available on our website address below.

The Old Machinery Magazine has also offered to provide their readers with the latest details.

ACCOMMODATION.

There is still billet accommodation available at Fairbridge Village and lots of room for any number of Caravans or Campers; all on excellent powered sites.

The Nationally Tourism Accredited Fairbridge is the only charity in Australia that owns a whole heritage-listed village dedicated to providing long-term, sustainable change in the lives of young people in need.

Income generated from our National Rally will help to support the charitable services including accredited training, residential programs for young people with a disability and their families and support camps for youth at risk.
