NEXT CLUB MEETING SUNDAY OCTOBER 26 2003

AT WYALKATCHEM

The following Articles/Editorials are published as received and are not necessarily the views of the AVVVA. Deadline for articles: Last day of the month

FROM THE PRESIDENT

Thank you to the members who attended the Northam Show. We had a great display of vehicles and stationary motors. Even the horses have learnt to live with us.

As we have been invited to the Toodyay Show we have the chance to do it all again on October 11. See information below.

I recently visited the Military and Heritage Museum at Nungarin where there is a great display of World War 2 Military vehicles, machinery and historical memorabilia all housed in an Army storage shed. This museum is well worth a visit and if there is enough interest our events organisers are planning a weekend trip to Merredin on the first weekend in November with a visit to Nungarin on the Sunday.

FROM THE SECRETARY

A good roll up for the Northam Show proved our club is able to put on a great display with a bit help from the members who marked out our spot on the Friday morning.

A few issues were discussed at the September meeting regarding gifts to the AVVVA and loan of AVVVA equipment and property to members.

When the AVVVA began in 1985 the membership was small and formal contracts between the club and members who gifted items was not an issue. However over the last 18 years we have learnt (through bitter experience) that verbal agreements are not always the best.

The Committee, following on from discussions at the September general meeting, will formally draft documents for the gift of items to the AVVVA or loan of items to members of the AVVVA. (The would be for items of a reasonable value).

It should be noted that if a person wants to gift an item of some value, then that should be discussed at a General Meeting so the suitability to the AVVVA can be determined. If the AVVVA simply sells and item gifted then that could be offensive to the donor due to an impression that we have a big museum at our shed.

The members of the AVVVA would rather decline an item than cause offence to kind- hearted people who want to donate their treasures to us for display.

On a happier note we are looking forward to seeing some of our Merredin members attending the Meeting at Wyalkatchem on Sunday October 26. Remember no Thursday meeting in Northam in October.

FRED SINGLETON.....Secretary
